

Arun & Western Streams Catchment Partnership - Current Projects page 1

Sub-catchment	Project	Action	Details	Partners
Chichester Harbour	Volunteer monitoring - MORPH + Riverfly	Monitoring	Training and support of volunteers to undertake regular MORPH / Riverfly surveys in specified locations.	ARRT, SDNPA
Arun	Upper Arun River Revival	Enhancement	This project will work towards improvements in WFD status through feasibility studies followed by in-channel and bank side enhancement. Further support for formation of a farm cluster, and engagement with urban populations re diffuse pollution and its downstream impacts.	ARRT
Rother	Floodplain Meadows Project	Enhancement	Scoping project using oral histories, historic maps and botanical surveys to identify floodplain meadows with potential for enhancement.	ARRT, UoP, SDNPA, NT
Rother	Liss	NFM	Work with Liss Flood Action Group to identify and instate NFM measures to reduce flood issues in Liss.	ARRT, EA, Liss Flood Action Group
Rother	Petersfield Rother Enhancement Project (PREP)	Multi-benefit catchment improvement	Whole waterbody improvement - Fish passage, Water Quality, Habitat creation/enhancement including NFM	Catchment Partnership, ARRT as lead
Worthing Chalk	Downs and Harbours Clean Water Partnership	Nitrate reduction mainly but all diffuse pollution	Reducing the impact rural and urban diffuse pollution has on our local rivers, groundwaters and designated coastal areas	EA, PW, NE
Rother	North Mill by-pass	Fish passage	Installation of fish pass, improved fish movement and access within the catchment	EA
Rother	Stedham mill fish passage improvement	Fish passage	Reverse declines in fish status	EA, ARRT
Chichester Chalk SGZs	Chichester Harbour Shellfish Value Evaluation	Payments for Ecosystem Services	Evaluate the value of improved water quality in Chichester Harbour using shellfish as an indicator	EA, SIFCA
Chichester Chalk SGZs	Parishes Wildlife Group	Diffuse pollution	Dragonfly survey and landowner liaison 1/2 done 2017	MWHG, PWGP, SDNPA
Chichester Chalk SGZs	FLOW project, Fixing + Linking Our Wetlands	Diffuse pollution coming off S Downs	Improving condition of wetlands network	MWHG, WSCC, CDC, SWT
Western Stream and Downs	Portsmouth Water farming capital grant scheme	Reduce diffuse pollution	Funding for on farm capital improvements, delivered through Down & Harbour Clean Water Partnership	PW
Manhood Peninsula	Portsmouth Water oil tank replacement scheme	Reduce diffuse pollution	Funding for oil tank replacements	PW

Key	
ARRT	Arun & Rother River Trust
EA	Environment Agency
PW	Portsmouth Water
CDC	Chichester District Council
SDNPA	South Downs National Park Authority
NE	Natural England
SIFCA	Southern Inshore Fisheries & Conservation Authority
PWGP	Parishes Wildlife Group
MWHG	Manhood Wildlife & Heritage Group
WSCC	West Sussex County Council
SWT	Sussex Wildlife Trust
SW	Southern Water
CSF	Catchment Sensitive Farming
AWB	
AVVG	Arun Valley Vision Group
NFU	National Farmers Union
