

# FREE pond discovery workshops

Ever wondered what fascinating creatures use ponds?

Interested in becoming a pond protector?

Come and get hands-on with this watery world...

**WHERE: RSPB Pulborough Brooks**  
**WHEN: 23 April – Great crested newts and amphibians. 5pm-8pm.**

**11 June – Dragonflies and invertebrates. 10am-3pm.**

**7 August – Pond and wetland plants. 10am-3pm.**

If you're passionate about ponds come and join us to learn more!

Help safeguard our ponds and record what you see in a pond near you.

We will show you how to identify wildlife species and what to note down.

- Training and equipment is provided.
- Travel expenses will be reimbursed.

For further information and to register please contact the ARC Volunteer Co-ordinator on **01273 763377** or email **[kate.whitton@rspb.org.uk](mailto:kate.whitton@rspb.org.uk)**
